Product Details

Advanced Technology International is a leading manufacturer of stocks, products and accessories for a wide variety of firearms. ATI combines the latest cutting edge technology and innovative design with premium materials to produce superior gunstocks and accessories. All of their products are manufactured in the USA with premium DuPont Military Grade Polymer and Anodized 6061 T6 Aluminum. Well known to collectors, hunters, and competitive shooters; Trusted by the Military and Law Enforcement. Advanced Technology International is dedicated to being the industry leader in high quality, easy to install, affordable firearms accessories.

The ATI TactLite Stocks feature removable and adjustable cheekrests. With this kit you can add or replace those cheekrest add-ons for your ATI TacLite Stock. These OEM replacement parts are constructed of weather proof and rugged DuPont Extreme Temperature Glass Reinforced Polymer. Made in the U.S.A. with a lifetime warranty from ATI.
